Luettelomerkinnät

Vanteiden valinnassa on otettu huomioon auton alkuperäiset keskireiät ja useimpien vanteiden kiinnitys on mahdollinen myös auton alkuperäisillä pulteilla tai muttereilla. Seuraavassa on listattu luettelon Huom. sarakkeen lyhenteiden merkitykset.

Luettelomerkinnät

- € = Erikoishintainen tuote
- Ø = Alkuperäinen keskireikä
- AK = Kiinnitys auton alkuperäisillä alumiinivanteen pulteilla tai -muttereilla
- *) = Katso rivikohtainen huomautus
- T = Tilaustuote

Kuvasarakkeessa oleva tieto esim. 4/11 = Katso kuva 4. vuoden 2011 esitteestä.

Merkki ja malli	Til. nro	Huom	Koko	Kuva	ET	Nimi	Pulttijako	Kierre	Autonpyörännavan halkaisija Ø	TH alv 24 %	TH alv 0 %	Tilausnumero

Suorasovitteinen
 Kiinnitys alkuperäisillä pulteilla tai muttereilla
 Vanteen keskireiän halkaisija Ø
 Pultin/ruuvien tyyppi (jos ei 60°)

- Luettelo on viitteellinen.
- Emme vastaa mahdollisista painovirheistä.
- Tarkista aina vanteiden sopivuus autoon ennen renkaiden asennusta vanteille.
- Suuret vanne- ja rengaskoot saattavat vaatia korinmuutostöitä.
- Varmista aina, että asennus on asetusten mukainen.
- Tarkista ennen lopullista asennusta, että kiinnitystarvikkeet ovat juuri kyseiseen autoon sopivat.
- Loppukiristä kiinnitysmutterit momenttiavaimella ja muista kiinnitysruuvien ja pulttien jälkikiristys 100 km:n jälkeen.

Takuuehdot

Tuotteilla on yhden vuoden takuu, joka koskee valmistus- ja materiaalivikoja. Takuu-aika alkaa tuotteiden toimituspäivästä. Takuun piiriin ei kuulu asennusvirheistä, epänormaaleista käyttöolosuhteista tai puutteellisesta hoidosta johtuvat vauriot.

Palautukset

Tuotteiden mahdollisesta palautuksesta on aina sovittava etukäteen myyjän kanssa. Tällöin sovitaan palautuksesta tehtävän hyvityksen suuruus. Jos kyseessä on erikoistilaustuote ei palautusoikeutta ole. Palautusrahti kuuluu asiakkaan maksettavaksi. Kopia alkuperäisestä lähetteestä tulee liittää palautukseen.
